Dana Weilbacher, RDMS; Medical Services Manager

December 27, 2016 *Life On Wheels* first day on the streets with the mobile unit!

Knights of Columbus sponsored our ultrasound machine!

Many thanks to the Knights of Columbus Supreme Council who partnered with Holy Spirit Catholic Church, pastor Fr. Patrick Driscoll, Council 12150; and Our Lady of Guadalupe Catholic Church, Fr. Albert Kelly, Council 12011. The cooperation and hard work of these two councils enabled them to donate **$19,450.00** to help us purchase the ultrasound machine for our mobile unit! Special thanks go to Brian Espy and Deacon Raymond Gueret for leading the cause at their Councils, and Rev. Thomas Rodi, Archdiocese of Mobile; Robert Vinti, Grand Knight; Griffin Shreves, State Deputy; and Patrick Kelly, Deputy Supreme Knight. Because of this generous donation we are able to shine the light on life to women in the River Region!

Robyn Blessing

Director of Ministry Development

What an honor to be a part of *Life On Wheels* as the Director of Ministry Development! My husband Bill and I were born and raised in El Paso, Texas and we moved to Montgomery in 1988. We have two sons, Greg and Andrew, and are members of Frazer UMC. I worked at Baptist East for over four years where I met Dr. Matt Phillips, our Board President. He introduced me to Life On Wheels and asked me to volunteer. I intended to volunteer, but instead was asked to apply to be the Director. I am so thankful to be a part of such an amazing ministry! Every day when the mobile unit goes out we know that we have the potential to serve women and save babies! Pray for us as we GO!

Life On Wheels 2nd Annual Gala

The *Life On Wheels* 2nd Annual Gala took place on February 24th, 2017.

We are so thankful for the support of our Food for Life vendors, Live and Silent Auction Donors, table donors, volunteers, and guests.

Special thanks to **Caleb Lopez** for his special presentation on LIFE, **Brian Espy** for chairing the Gala for the second time, and **Rachel Thomas** as co-chair.

We raised over $54,000 and we appreciate you all!

Dr. Matthew Phillips, President of the Board of *Life On Wheels*

Reports from the Front Lines

We followed up with a lady we saw last week who was abortion minded. She informed us that she was so glad she didn't go through with the abortion and she's now excited about being a mother! God is so good to change hearts and allow us to see it!

We had a repeat visit from a woman this week who was considering abortion. To our delight, she is now accepting and confident about her pregnancy!

Transformation Montgomery is allowing us to park at Garden Square in North Montgomery right next to a very busy section of Lower Wetumpka Rd. Thank you to Rusty Taylor of Frazer UMC! **(Photo #1)** We also took the mobile unit and parked by the Ann Street Walmart for the first time on March 20th. We had 3 walk in clients and 2 phone calls!

We had a client who was undecided about parenting. Dana invited her to bring her mom and come back. With her mom in the room, she called her boyfriend in Tuscaloosa and held her phone up to the ultrasound picture on the screen so he could see. Once the mom and the boyfriend saw the ultrasound, they were enthusiastic about the baby and promised to support her decision. She is going to parent!

(Photo #2) We saw this mom for the second time and she told us we can share this with you... Yes! She is keeping both of them!

Mission:

Life On Wheels exists to support local crisis pregnancy centers by partnering with multi-denominational Christian ministries and individuals, to empower and assist pregnant women in making an informed and life-affirming decision for their child by utilizing the tool of ultrasound, and to assist the pro-life community and churches in promoting the sanctity of human life. We endeavor to help pregnant women by fostering loving relationships and serving as a resource to refer them for ongoing support and care.
