## Message from the President of the Board

Dear Friends and Supporters:

**But he (Jesus) would withdraw to desolate places and pray. Luke 5:16**

This morning I came across this passage in Luke. It seems that whenever Christ's ministry heated up he would often withdraw to pray. Why would the Son of God, the creator of the universe, the most powerful being in the universe need to withdraw and pray? I believe it was because of two things.

First, being fully God and fully man I do believe he got tired. He was in fact asleep on the boat in the midst of the storm. He was hungry after 40 days of fasting. He was in spiritual and physical agony in the garden of Gethsemane before his crucifixion.

Second, I think, more importantly, he was showing us how to do ministry. When we pray we grow in Relationship with God. When we pray we become more Reliant on God. When we pray we learn to Rest in God.

When I think about what God has done through Life On Wheels since that very first meeting in August 2015 when a group of about 29 believers met together in a living room and begin to pray for a mobile unit in Montgomery, Alabama, my only explanation for our success is prayer. We have a praying Board. We have a praying Staff. We have Volunteers who pray continually for this ministry. And God, being faithful to His promises, has provided what we needed when we needed it to rescue women and babies.

When we feel inadequate for the task He equips us. When we do not know the next step He guides us. When we are tempted to worry He gives us peace. When we need a miracle He amazes us. We are grateful to our Lord and Savior, Jesus Christ, for all He has done and invite you to "withdraw and pray" for Life On Wheels as we expand in 2020!

*Matt Phillips*

# Impact in the River Region

## Joining & Supporting the Pro-life Community

- ♦ Community Prayer 6-6:30 am every Friday morning in front of the abortion clinic on South Perry Street
- ♦ Collaboration with local Pregnancy Centers through referrals and providing ultrasounds to non-medical centers\*: COPE\*, Elmore County Pregnancy Center\* First Choice, River Region Pregnancy Center, Mary's Haven Prattville\*
- ♦ Support local agencies such as COSA, AGAPE, Lifeline, Gift of Life through Health Fair participation & client referrals
- ♦ Provide opportunities for interns to serve and learn on our mobile unit

## What Our Partners Are Saying

*I believe this is what God intends - for us to work together with a united voice and joined hearts to do His will. Every week I see how our partnership benefits His creations who have no voice except ours. As we walk clients back & forth between COPE and the unit I see how we are the hands and feet of Christ.*

Lorie Mullins  
Executive Director COPE

*Dr Matt Phillips, Robyn Blessing, and the entire Board and Staff of Life On Wheels have blessed this community with their uncompromising passion for the cause of life. Their ministry has grown quickly and the impact has been significant. I believe altogether more people are getting excited about pro-life work.*
