Because of You: Six Months of Impact and Service

A Note from Our
Executive Director

Together, we have much to celebrate!

The stories and milestones highlighted in this report are a direct reflection of the generosity and commitment of our donors, volunteers, churches, and community partners. The photos on these pages offer just a glimpse of the many friends who make this work possible.

Your prayers, financial support, and willingness to serve enable Life On Wheels to meet women where they are and walk alongside them during some of life's most critical moments.

Together, we are making a lasting difference in our community—one woman, one family, and one life at a time.

Thank you for being part of this mission to serve women, save babies, and share Jesus!
