

Alabama: Our home and our harvest field!

John 4:35
Don't you have a saying,
'It's still four months until harvest'?
I tell you, open your eyes and look at the fields!
They are ripe for harvest.

FRONTLINE STORIES

"Today, the mobile unit had no running water and we thought we were going to be down for the day. The enemy was at work. God had a different plan. After several phone calls, our driver helped us fix the problem. If we had not fixed the problem, we would have missed 2 clients who accepted Christ, and one client who had an abortion but needed someone to talk to."

"I am so thankful that my daughter came to your bus! She saw her ultrasound and decided to keep my granddaughter."
